December 29, 2017

Dear Colleagues,

On behalf of the KVS team, I am pleased to wish a wonderful happy new year to students, teachers, officers and non-teaching staff of KVS who perform a wide range of roles to support school and student success.

This is an exciting time of year for many of us. A new year means a new start with new initiatives, new opportunities and new challenges.

The most important people in this world are the educators. They touch our lives in many ways as they impart knowledge, skills and wisdom that enrich students. They are mentors who make them capable of facing and solving the challenges in life. Teachers must work hard to stimulate students to create a hunger for learning and to expand their success in life. In many cases, it has become very complex to keep students interested in their education. All students have some capacity to learn. It only takes the dedication and compassion of a teacher to get the best out of them.

KVS being one of the prestigious educational institutions always strive to implement new innovations to impart best education to its students. E-prajna, Back to Basics, 'Tarunotsava', Awakened Citizen Programme, JIJYASA, Swachhtam Vidyalaya & Harit Vidyalaya, Swasth Bachche-Swasth Bharat, Seema Darshan are some of the major initiatives being taken up by KVS in this direction.

It is the best time to acknowledge, applaud and appreciate each and every member of the KVS family for vital role in education and development.

I convey my thanks to all for continued support to strengthen our Academic Environment.

Wish you all a Very Happy New Year 2018!

(U.N. Khaware)
